### A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MAYWOOD, CALIFORNIA, ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2020-21 FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017

**WHEREAS**, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

**WHEREAS**, SB 1 includes accountability and transparency provisions that will ensure the residents of our City are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

**WHEREAS**, the City must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

**WHEREAS**, the City, will receive an estimated \$528,284 in RMRA funding in Fiscal Year 2020-21 from SB 1; and

**WHEREAS**, this is the fourth year in which the City is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB1; and

**WHEREAS**, the City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities priorities for transportation investment; and

**WHEREAS**, the funding from SB 1 will help the City maintain and rehabilitate multiple streets throughout the City this year and many similar projects into the future; and

**WHEREAS**, the 2018 California Statewide Local Streets and Roads Needs Assessment found that the City's streets and roads are in good condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into an excellent condition; and

**WHEREAS**, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.
