(Maywood, California) - The City of Maywood stands alongside our Muslim neighbors and does not condone the offensive and hurtful comments made on social media by the Elected City Clerk towards the Muslim community. Maywood supports the diversity and inclusivity that is reflected in the larger SELA community and the words of the Elected City Clerk do not reflect the values of our City. As City leaders, we recognize this is a pivotal time in our nation and our job is to lead a community towards a mutual respect of one another, and of each other's cultures and each other's faith. Vitriolic and divisive speech has no place in the City of Maywood.
