V. EVALUATION OF APPLICATION AND SELECTION PROCESS

A. Review of Applications. Following the application deadline, City Staff will review the applications. Applicants may be contacted if further information is requested, to answer questions, clarify their application, etc. All applications will be evaluated to ensure that the applicant is an “Eligible Organization” and that purpose for which the grant is sought is consistent with this policy. Applications and recommendations of Staff, if any, will be presented to the City Council during a regular scheduled City Council meeting for the Council’s consideration and approval.

B. City Council Action. The City Council will take final action on award of all grants and maintains the discretion to fund in whole or in part any request or not to fund any or all requests during the Application Cycle. Alternatively, the City Council may hold-over any application into the next Application Cycle. In the case of multiple applications that are competing for limited available funds, consideration may be given to applications based on the following criteria: (i) the number of residents who are expected to benefit, participate in or be positively impacted by the program; (ii) the performance of the applicant in prior years, including demonstrated fiscal responsibility and compliance with applicable requirements; (iv) the amount of funding previously award to the applicant or the program or event in prior years; and (v) the total amount of funding requested as a proportion of the total available funds for the applicable fiscal year.
