*(Maywood, CA.)* – On August 12, 2020, the Mayor and City Council appropriated grant funds in an amount of \$650,000.00 for an Emergency Rental Assistance Program. Maywood residents facing rent insecurity due to the COVID-19 pandemic will be eligible to apply. City staff has been diligently working on securing grant funds since June; rental assistance funds will be derived from unprogrammed CDBG funds, CARES Act, and the Permanent Local Housing Allocation Program. This relief will have no impact to the City’s General Fund. Maywood Residents and landlords are encouraged to visit the City’s website and Social Media pages for future updates regarding the Emergency Rental Assistance Program.
